However, students are expected to attend 15 hours per week, with a further 5 hours per week delivered as Distance Education (Study done at home in the form of completion of set tasks or Workbooks). **Failure to attend regularly will see progress suffer, and students may be reported for unsatisfactory progress.**

PROGRESS IS MONITORED FOR VISA COMPLIANCE PURPOSES:

The Academy has implemented the DIBP Course Progress Policy and Procedures. More detail is available in the Student Handbook, but basically a student will be reported if they fail to gain competency in half of the units completed in consecutive study periods. Competency for each Unit is determined by three or four methods. Each occurs on a weekly/ fortnightly basis, hence regular attendance is important:

- Knowledge tests;
- Observation of skills, and oral questioning;
- Completion of activities.
- Completion of Workbooks

Visa students should be aware that agents can act on our behalf to recruit students. These agents are listed on our website.

All Domestic and VISA students please note:

You have rights with regards to refunds, complaints and appeal processes. These rights are outlined in detail, in the Student Handbook, and you MUST acquaint yourself with them prior to enrolment.

The refund policy will also cover what your rights are should we, as the RTO, or a third party training organisation closes, or ceases to deliver any part of the training product that you were enrolled in. In short, we would make arrangements suitable to yourself, to access another provider delivering that training, OR we offer you a refund.
