At each campus the classes for theory may vary and excursions are held 2 times per term (of 10 weeks). There are tuition times from 3.30pm each day where you can get extra assistance should you require it, and you may access the Fitness Centres for supervised practice on most days, included in your fee. Ask your campus for a specific Timetable.

The excursion days will see you do most, if not all of the outdoor recreational activities listed above, depending on weather, selected campus, and availability at the time. VISA & DOMESTIC students please note:

You have rights with regards to refunds, complaints and appeal processes. These rights are outlined in detail, in the Student Handbook, and you MUST acquaint yourself with them prior to enrolment.

The refund policy will also cover what your rights are should we, as the RTO, or a third party training organisation closes, or ceases to deliver any part of the training product that you were enrolled in. In short, we would make arrangements suitable to yourself, to access another provider delivering that training, OR we offer you a refund.

VISA STUDENTS please note:

ATTENDANCE IS NOT RECORDED OR MONITORED for visa compliance purposes. Failure to attend regularly will see progress suffer, and students may be reported for unsatisfactory progress.

Progress Is Monitored For Visa Compliance Purposes:

The Academy has implemented the DIBP Course Progress Policy and Procedures. More detail is available in the Student Handbook, but basically a student will be reported if they fail to gain competency in half of the units completed in consecutive study periods. Competency for each Unit is determined by three or four methods. Each occurs on a weekly/ fortnightly basis, hence regular attendance is important:

- Completion of workbooks and/or textbooks
- Completion of activities
- Observation of skills, and oral questioning
- Knowledge tests (not applicable to all courses)

Mode of Study

Our VET courses are Face to Face study mode for a minimum of 13.4 hours per week, and Distance Education (online) for a maximum of 6.6 hours per week.

Visa students should be aware that agents can act on our behalf to recruit students. These agents are listed on our website.

DOMESTIC STUDENTS please note:

Mode of Study

Students may choose between Face to Face tuition, distance education and a blended approach. Costs will vary accordingly. Courses that include large practical components (sport, fitness, recreation) will require Distance Education students to be monitored by an approved & qualified mentor of their choice.

Funding: Some of our courses have Government funding available. To find out if you are eligible for funding, please read the information sheets on the download page of our website <http://eagleacademy.com.au/downloads/> or contact info@eagleacademy.com.au.
