PADI SCUBA Diving Course

Wish to add some fun in the sun while studying with the Eagle Academy? Learn new skills and gain extra units on top of your qualification in Sports & Recreation, Fitness or Outdoor Recreation. The Eagle Academy alongside our 3rd Party Industry Training Partners have developed an exciting set of extra elective packages that may be added onto any of our Associated Sports/Fitness or Recreation courses.

\$600.00 AUD (non-tuition)

PADI OPEN WATER 18m: The PADI Open Water Diver course is the world's most popular scuba course, and has introduced millions of people to the adventurous diving lifestyle. The fun part about this course is . . . well, just about all of it because learning to dive is incredible. You breath underwater for the first time (something you'll never forget) and learn what you need to know to become a certified diver.

PREREQUISITES: You must be able to swim and tread water.

We Supply: All learning materials and tuition, pool fees & all hire gear for the duration of the course; we even pay for your certification costs with PADI. Includes 4 open water shore dives.

\$600.00 AUD (non-tuition)

PADI ADVANCED OPEN WATER DIVER: Exploration, Excitement, Experiences. They're what the PADI Advanced Open Water Diver course is all about. And no, you don't have to be "advanced" to take it – it's designed so you can go straight into it after the Padi Open Water diver course. This course helps you increase your confidence and build your scuba skills so you can become more comfortable in the water. This is a great way to get more dives under your belt while continuing to learn under the supervision of your PADI instructor. This course builds on what you've learnt and develops new capabilities by introducing you to new activities and ways to have fun scuba diving.

PREREQUISITES: You must be a PADI Open Water Diver (or qualifying certification from another training organization)

We supply: All hire gear for the duration of the course, learning materials, pool fees, charter costs and certification costs.

\$600.00 AUD (non-tuition)

PADI RESCUE DIVER: "Challenging" and "rewarding" best describe the PADI Rescue Diver course. Building upon what you've already learned, this course expands on what you already know about how to prevent problems, and how to manage them if they occur.

PREREQUISITES: You must have a PADI Advanced Open Water diver certification (or have a qualifying certification from another organization). Be trained and current for first aid and CPR within the previous two years.

We supply: Learning materials, pool fees, hire gear and certification costs.

\$600.00 AUD (non-tuition)

PADI DIVEMASTER COURSE: Looking for the first step in working with scuba as a career? Your adventure into the professional levels of recreational scuba diving begins with the PADI Divemaster program. Working closely with a PADI Instructor, in this program you expand your dive knowledge and hone your skills to the professional level. PADI Divemaster training develops your leadership abilities, qualifying you to supervise dive activities and assist instructors with student divers.

PREREQUISITES: You must be 18 years old, A PADI Advanced Open Water Diver (or qualifying certification from another training organization), A PADI Rescue Diver (or qualifying certification from another training organization), An Emergency First Response Primary and Secondary Care (or qualifying first aid and CPR training from another organization) course completion within the past 24 months, have at least 40 dives to begin the course and 60 for certification, be fit for diving and submit a Medical clearance signed by a physician within the last 12 months.

We supply: Learning materials, pool fees, and certification costs. Equipment can be hired for an additional cost.
